Subject : BISTECH 3.0 Dress Rehearsal Test Announcement

To Whom It May Concern,

Reference: Announcement dated April 4, 2023, numbered 2023/16513

In the reference announcement, the information has been provided regarding the trial tests that will be conducted as part of the BISTECH 3.0 new trading system release, which will go live on June 12, 2023. Technical details, scenario content, and report distribution related to these scenario-based tests were shared as attachments in the announcement.

Two scenario-based dress rehearsal tests were conducted on April 15 and May 20, 2023, and the third and final scenario-based dress rehearsal test is planned to take place on Saturday, **June 3, 2023**. In order to successfully carry out these tests, we expect the information provided in the mentioned announcement and its attachments to be taken into account and evaluated together. Takasbank will share a separate announcement containing technical details and scenario content for the dress rehearsal tests.

With the transition to BISTECH 3.0, the new environment that will be used as the live system, members, colocation customers and data vendors who have not participated in the previous scenario-based dress rehearsal tests and connection tests will be granted access for a free connection test to the BISTECH 3.0 environment on Sunday, **June 4, 2023**, between 09:00 and 15:00.

In order for the BISTECH 3.0 version transition to be successful and for all members, colocation customers, and data vendors to check their preparations for the transition, it is mandatory to attend the dress rehearsal test to be held on June 3, 2023.
