Subject: Announcement Regarding the Newly Calculated  
BIST Leveraged and Short Indices

Dear General Manager  
Dear Member

BIST Indices Methodology is periodically reviewed by Borsa İstanbul Financial Benchmarks Committee (the Committee), reflecting the developments in the markets and changes arising from local and international legislation, meeting the requests of market participants and making the necessary updates.

In this context, Borsa İstanbul Management decided;

- To meet request of the market participants, it has been decided that the leveraged and short indices presented in Annex 1, which can be used as underlying assets in the financial products to be issued, will start to be calculated from the end-of-day data as of May 26, 2025, the base values of the relevant indices will be set as 1.000 and the “Calculated Indices” heading of the “BIST Leveraged and Short Indices Methodology” (the Methodology) will be updated in this context,
- To change the values of “Underlying Index” and “Repo Index” under the “Data Precision” heading of the Methodology due to the needs encountered in practice,
- To implement the changes as of May 26, 2025,
- To classify the changes made in the Methodology as Non-material Changes based on Article 7.6 titled “Non-material Changes” of the Financial Benchmarks Management Procedure and to follow the procedures and principles specified in the said article,

Methodology is presented in Appendix 2 in a traceable format with changes, and in its final form with accepted changes in Appendix 3. The announcement and relevant appendices can be reached from the “Index Announcements” section of Borsa İstanbul corporate website ([www.borsaistanbul.com/en](http://www.borsaistanbul.com/en)).

Kindly submitted to your information.

Regards,

Murat BULUT  
Deputy General Manager
