Document	Type	Announcement
	Subject	Functional Changes in the Opening Sessions
	From	Equity Market Operations Directorate, Derivatives Market Operations Directorate
	To	Equity and Derivatives Markets Members

To Whom It May Concern,

In order to achieve a more effective price discovery in the opening sessions, in Borsa Istanbul Board of Directors meeting dated 15/09/2022, it has been decided:

- In the Equity Market
 - To allow cancelling and modifying of orders except for the last 5 minutes of the order collection period of the opening session for the shares in the Equity Market,
 - To allow cancelling and modifying of orders in the entire order collection period of the opening session for instruments other than shares that are included in the opening session,
 - To allow the use of market and market to limit orders in the opening session for the shares in the BIST Stars and BIST Main and for instruments other than shares that are included in the opening session,
- To allow cancelling and modifying of orders in the order collection period of the opening session in all instruments traded in the Derivatives Market.

Aforementioned changes will be effective as of 25/09/2023. These changes have been applied in the BISTECH pre-prod test environment (IP: 10.57.3.62) for our members to conduct their tests. Information about session states and trading sessions will be announced through “Connect”.

Equity Market Directive, Equity Market Procedure and Derivatives Market Procedure which will be amended accordingly will be available as of the effective date on Borsa Istanbul website (<https://borsaistanbul.com/en/sayfa/4032/regulations>).

Kindly submitted for your information.
