Doc	Type	Announcement
	No	2016/2
	Subject	Briefing Meeting Related to BISTECH Migration of Borsa İstanbul Derivatives Market (VIOP)
	Apr. Date	06/01/2016
	From	Financial Derivatives Market Department, Project Management Office
	To	VIOP Members, Data Vendors and Independent Software Vendor (ISV)

Dear Member,

All markets within Borsa İstanbul are planned to serve on a single trading platform within the framework of strategic partnership agreement signed between Borsa İstanbul A.Ş. and NASDAQ on 20/01/2014.

Within the scope of the first phase of “Transformation Through Technology Program”, the transformation process has been implemented with Borsa İstanbul stakeholders and Equity Market transactions started to be successfully performed on BISTECH Trading Platform on November 30, 2015.

As the first step of the second phase of BISTECH Project, current market application software of VIOP are being upgraded over BISTECH platform.

In this framework, a briefing meeting will be held in order to inform Borsa İstanbul members, software companies, and data vendors about updates on VIOP operation principles on BISTECH System, differences in operation rules, clearing and risk management and the calendar. Briefing meeting related to BISTECH migration will be held on **January 14, 2016** at **Boğaziçi University İbrahim Bodur Hall**, between **13:45-17:00**. Meeting details are presented below:

**Meeting:**

<b>13:45 – 14:15</b>	Nasdaq Phase II – VIOP Project Calendar
<b>14:15 – 15:30</b>	Phase II – VIOP Trading System
<b>15:30 – 16:30</b>	Phase II – VIOP Clearing and Risk
<b>16:30 – 17:00</b>	Q & A

**Date** January 14, 2016  
**Location** Boğaziçi University İbrahim Bodur Hall  
Bebek, 34342 Beşiktaş/İstanbul

For your information and necessary actions

Sincerely,

Tuncay DİNÇ  
CEO
