Subject: Announcement Regarding the Update of the LSEG Sustainability Methodology

To Whom It May Concern

It was announced in our Announcement dated March 19, 2026 (No. E-18454353-100.04.02-45529) that the LSEG Sustainability Methodology, used to determine the stocks to be included in the BIST Sustainability Indices, has entered a revision process and that, accordingly, the sustainability scores of the companies subject to calculation under both the current (old) and the new methodology have started to be published simultaneously on LSEG terminals.

As a result of discussions with LSEG officials, the following points have been confirmed :

- A global webinar detailing the new sustainability methodology will be held on Wednesday, April 15, 2026, at 4.00 PM (İstanbul time).
- A Q&A session exclusively for Turkish companies listed on the Borsa İstanbul will be held on Friday, April 17, 2026, at 4.00 PM (İstanbul time).
- The language of communication for both meetings, which will include representatives from the LSEG Istanbul office, will be English.
- Separate registration is required to participate the online meetings.

In this regard, stakeholders wishing to attend these meetings must register using their company email addresses via the links provided below.
