To Whom It May Concern,

Reference: Announcement No: 2016/78 dated 09/29/2016

Information regarding the go-live rehearsals with the participation of all stakeholders, in order to maintain that our members and the data vendors test their preparations for the go-live of the Derivatives Market (VIOP) on the BISTECH system has been shared with the referenced Announcement, and it was stated that the time planning and the accessing information needed for the participation in the go-live rehearsals were to be published later.

Hence,

- VIOP Technical Information Document (Annex 1)
- VIOP Scenario Document (Annex 2)
- Pre-Trade Risk Management (PTRM) Application Scenario Document (Annex 3)
- Equity Market Scenario Document (Annex 4),

which contain the abovementioned time planning and the accessing information and for the Go-Live Rehearsals on the BISTECH System have been published at the following address: <http://www.borsaistanbul.com/en/bistechsupport/news-releases>.

Before the test scenarios, "Changes and New Functionalities in VIOP Operations with BISTECH System" document uploaded to <http://www.borsaistanbul.com/en/bistechsupport/technical-documents> on 09/20/2016, the documents mentioned in the Takasbank General Letter dated 08/18/2016 and numbered 1300 and uploaded to <https://duyuru.takasbank.com.tr/> have been submitted to the information of our members and the data vendors. In order to carry out the rehearsals with success, it is of utmost importance to take into account these documents together with the annexed technical document and scenario documents, which are also published in the abovementioned web addresses.
