To Whom It May Concern,

Reference: Announcement dated 22/02/2017 and numbered 2017/26

With our referenced Announcement, it was announced that the BISTECH Phase-2 Derivatives Market go-live plan and the related connection information would be shared with a future announcement.

The connection information regarding both the production environment and the Disaster Recovery Center (DRC) will be shared for VIOP TW, FIX, OUCH and ITCH users, who will start to use the BISTECH system for the first time with the go-live, on 01/03/2017 Wednesday and for the PTRM users on 02/03/2017 Thursday at <https://connect.borsaistanbul.com>. The current Equity Market PTRM users shall be suspended, new user accounts shall be created with a broader authorization, without changing the current authorizations in the Equity Market. The TIP user information for the data vendors pertinent to the Derivatives Market data dissemination were announced on 23/02/2017 at <https://connect.borsaistanbul.com>.

Borsa İstanbul Group shall start the BISTECH Phase 2 Derivatives Market go-live procedures on 04/03/2017 Saturday. Between **18:00 EEST and 21:00 EEST** the same day, another notification shall be made through <https://connect.borsaistanbul.com> and <http://www.borsaistanbul.com/en/bistechsupport/news-releases> in order to inform our members and the data vendors that the transformation is successful and that the go-live preparations must be completed. After the go-live procedures are completed, on 05/03/2017 Sunday between 10:00 EEST and 18:00 EEST, BISTECH Phase 2 production environment shall be opened in order to maintain that all our members and data vendors perform their connection tests. Participation in the connection tests is mandatory.

BISTECH Phase 2 production environment shall be available on **06/03/2017 Monday** with all its features.

Kindly submitted to your information.

Yours Sincerely,

M. Ufuk ÖZDEMİR
