Debt Securities Market Operation Directorate

Subject : Announcement on Equities to be subject to trading at Equity Repo Market

June 2022

Dear Member,

Currently, in Equity Repo Market within Debt Securities Market, equities included in BIST 30 index and traded in the Equity Market may be subject to repo transactions if they are deemed appropriate by the General Directorate. With the amendment on Debt Securities Market Procedure to broaden the scope of equities to be subject to repo transactions at Equity Repo Market, which will enter into effect on July 4, 2022, equities included in BIST 50 index may be subject to repo transactions as of July 4, 2022.

Kindly submitted to your information and further action.

Yours Sincerely,

Korkmaz ERGUN
CEO
Board Member
